Experience	John: Regional strategist for WGM Africa, working with mission and national church ministry teams to clarify goals, develop plans, and execute with discipline and excellence, and Community Health Empowerment coordinator for East Africa Beth: WGM Uganda business manager, Community Health Empowerment coordinator for East Africa
Testimony	<p>We continue to learn, day by day, that God is incredibly faithful to us. We are grateful that we've been able to serve with WGM for 28 years as missionaries to Kenya and Uganda, most recently helping to train African evangelists, church planters, and missionaries.</p> <p>Our passion is to see African leadership blossom and take increasing leadership roles in fulfilling the Great Commission. The young men and women we have worked with are moving into key leadership positions and doing far more than we as missionaries ever could.</p> <p>As we prepare to return to Africa for our seventh term of service to continue working in leadership development, we find that God's leading remains sure. We believe that God has good things for us.</p> <p>During this time of ministry to our homeland support base, we are anticipating a great blessing as we celebrate together the great things that God has done.</p>

MATTHEW 28:19-20
