

Children and Youth Ministries Training Personnel

Opportunities

A children and youth ministries trainer is needed to serve in partnership with Africa Gospel Church in Uganda. The trainer will develop new programs and enhance existing programs for the evangelism and discipleship of children and youth. The trainer will also educate local children and youth leaders and develop activities such as special events, discipleship groups, Bible studies, and children and youth leader training sessions at AGC churches. Other ministries will include leading Bible studies and fellowship times for youth, all with the focus of keeping children and youth accountable so they will grow in their faith and become godly Christian leaders.

Qualifications

A college degree is desired, preferably in children and/or youth ministries or a related area. Previous leadership training and/or experience in leading children, youth, or their respective leaders is preferred but not necessary. Other desirable traits include experience in evangelism/discipleship, ordination as a children or youth minister or in a related ministry, musical training, and sport/coaching experience.

Training Provided

On-field training will be provided by WGM missionaries and AGC leaders. Additional training will also be provided in Community Health Empowerment (CHE) and Biblical Orality.

Location
