

**WORLD
GOSPEL
MISSION**

WHY DOES THIS MATTER?

70% of people in the world have not made a decision for Christ.

We're on a mission to change that.

But we can't change it without people to go share the Gospel. And sharing the Gospel comes with many challenges and barriers.

World Gospel Mission has been journeying with those who have said yes to God's call on their life since 1910. Whether it's building a ministry partner team, supporting missionary families as they serve in their ministry location, or navigating complex cultural situations, we help missionaries overcome obstacles so they can transform the world for Christ.

For **"Everyone who calls on the name of the LORD will be saved."**

But **how can they call on him** to save them unless they believe in him? And **how can they believe in him** if they have never heard about him?

And **how can they hear about him** unless someone tells them?

And **how will anyone go and tell them** without being sent?

That is why the Scriptures say, **"How beautiful are the feet of messengers who bring good news!"** (Romans 10:13-15 NLT)

70% of people in the world have not made a decision for Christ.

WHAT CAN YOU DO?

You'll be involved in meeting community needs in over 30 ministry locations

While ministry can look very different from one ministry location to another, WGM missionaries address the physical and spiritual needs of their community as a vehicle to reach those who have not made a decision for Christ.

Practically, this can look like providing education to children living in a landfill, educating doctors and nurses who are serving throughout sub-Saharan Africa, planting churches in difficult places, and reaching the next generation through education and sports ministry.

PARTNERSHIP

Engage in a transformative journey with WGM, where your stewardship fuels missions to reach the nations and empowers missionaries worldwide, igniting hope especially where it's needed most.

You not only touch lives but transform futures, creating a legacy of compassion and change that resonates across borders and generations. Together, we will make an everlasting impact!

WGM's strategic initiatives include an intensity on sending the next generation and missionaries from around the globe, supporting innovative ministry opportunities around the world including the Greater Middle East, engaging and equipping churches to multiply missions influence, and supporting the mental health of our missionary families.

WGM'S HEART

Since Eden, God's heart is to bring His people back to Himself through His Son, Jesus. And while Jesus is the way this happens, God desires for us to be part of the work, too. Jesus' final command to his disciples is to spread the Gospel, first in Jerusalem, then to Judea and Samaria and to the ends of the earth (Acts 1:8).

The WGM team has a heart to bear fruit so that every nation, tribe, and people can live in the freedom of Christ and bring glory to God.

And we know you do, too. That's why your partnership with us will create multi-generational and global impact today.

HISTORY

Over a hundred years ago, a small group of missons-minded Christians had a God-sized dream of starting a movement of sending out missionaries to proclaim Christ to the ends of the earth.

As a result, World Gospel Mission was formed in 1910, and the first missionaries boarded a boat and set off to China, the first of many countries in which WGM missionaries would proclaim the name of Christ.

Since those early years, WGM has been helping people find the intersection of their passion and God's heart. Now we have over 270 missionaries in over 30 ministry locations who are participating in God's vision for the restoration of the world by taking the Good News to every corner of the globe through a variety of diverse projects and partnerships.
