KEVIN & MOSELLE

OUR STORY

Moselle grew up overseas with a missionary surgeon father. She knew from childhood that God had called her to medical missions. During her OBGYN residency she developed a passion and talent for surgical instruction. She wants to provide knowledge and community for residents, as well as point them to Christ in the same way she was in the transformational time of life called residency.

Kevin loves building community so people can connect with each other and with God in impactful, life-changing ways. This is a gift that he discovered during Moselle's residency. He saw this was needed for doctors and their families to remain healthy and spiritually grounded. He wants to be an agent of connection and encouragement to faculty, residents, and their families.

MISSION

World Gospel Mission engages Christlike disciples to transform the world.

WGM HISTORY

Over a hundred years ago, a small group of mission-minded Christians had a God-sized dream of starting a movement of sending out missionaries to proclaim Christ to the ends of the earth. As a result, World Gospel Mission was formed in 1901, and the first missionaries boarded a boat and set off to China, the first of many countries in which WGM missionaries would proclaim the name of Christ.

Since those early years, WGM has been helping people find the intersection of their passion and God's heart. Now we have over 270 missionaries in 32 ministry locations who are participating in God's vision for the restoration of the world by taking the Good News to every corner of the globe through a variety of diverse projects and partnerships.

WGM CORE VALUES

Passionate Prayer: We will not settle for less than passionate, faith-filled prayer.

Personal Holiness: We will not settle for less than fully surrendered, Christlike lives.

Stewardship with Accountability: We will not settle for less than the best use of God's resources.

Wholistic Transformation: We will not settle for less than total transformation.
